

## Visitor Safety Briefing

Safety plays an integral role in NASA's quest to expand frontiers in aeronautics and space. To insure that your visit to JSC is as safe as possible — please follow these safety instructions:

### Traffic & Parking Information

- Please abide by the posted speed limits. Generally, they are 20 to 25 mph.
- Pedestrians have the right of way. Stop for pedestrians in crosswalks.
- Parking lots are located adjacent to most buildings. Please do not park in reserved parking spaces.
- If you're involved in or observe a traffic incident contact NASA Security.

### Emergency Phone Numbers:

**On-Site at JSC**      **x33333**

**Ellington Field**      **x44444**

**Off-Site**      **911**

In case of any type of emergency, provide the following: your name, location, the phone number you are calling from, and the nature of the emergency.

### JSC Alarm / Siren System

The JSC site-wide emergency alerting system is used to quickly notify employees and visitors of potential danger. If the alarm system activates, follow the instructions of your NASA host.

### In case of a fire alarm...

Evacuate the building using the stairs. DO NOT use the elevators. Move at least 75 feet from the building. Follow the directions of your NASA host, the fire warden, and security officials.

### Hazardous Areas & Materials

- There are many hazardous areas and materials at JSC. If you have any concerns consult the employees in that area or contact Environmental Health at x36475.
- Obey hazard warning signs. Do not go into unauthorized areas.
- Avoid areas requiring special protective equipment (e.g. goggles, hearing protection, hard hats, etc.) unless you are properly trained and protected.

## Handicapped Access

JSC makes every effort to accommodate handicapped guests. If you will require any special assistance please notify your NASA host so that arrangements can be made for your visit.

## Food Services & Gifts

- If you are a badged visitor, you may use either of the two onsite JSC cafeterias located in Bldg. 3 and Bldg 11. Breakfast and lunch are served Monday thru Friday.
- Gift shops offering a variety of souvenirs are located inside each cafeteria.
- Cafeteria Hours:  
Breakfast    7:00 - 10:00 a.m.  
Lunch        11:00 - 2:00 p.m.

## Helpful Hints

- Insure that you have a photo ID.
- Insure that you know the name and phone number of your NASA host.
- If you're getting badged in the morning — plan to arrive at Guest Services at least 30 minutes prior to your scheduled meeting.
- You may wish to arrive early to obtain your badge, enjoy breakfast in the cafeteria, and avoid the morning rush in Guest Services.
- If you arrive the evening before your scheduled visit, you may pick-up your badge until 10 pm and avoid the next day's morning rush.
- Parking is seldom close to your meeting location. Plan for ample time to walk to your meeting.
- Check your vehicle...Please insure that your vehicle is free of prohibited items such as:
  - Weapons
  - Unapproved Flammables or Explosives
  - Animals (except for assistance dogs)
  - Alcohol
- Dress appropriately, our local weather can change quickly.

## Suggestions?

We need your feedback! If there is anything that we can do to improve your next visit please let us know.

This brochure is available online at

**[visit.jsc.nasa.gov](http://visit.jsc.nasa.gov)**

03/01

A vertical banner for the "Visitors' Guide". The background is a dark space scene with a large orange planet at the top, a satellite in the middle, and an astronaut in a white suit at the bottom. The text "National Aeronautics and Space Administration" and "Johnson Space Center" is written vertically on the left in orange. The title "Visitors' Guide" is in large, metallic, 3D letters in the center. The website "visit.jsc.nasa.gov" is written vertically on the right in white. At the bottom, the NASA logo is on the left, and the address "Guest Services, Bldg. 110, Lyndon B. Johnson Space Center, 2101 NASA Road One, Houston, Texas 77058" is on the right.

Welcome to the Johnson Space Center! This brochure provides a "quick look" at the information that you will need if you are visiting JSC - for business, for pleasure, attending a special event, visiting a family member or looking for a job. Complete information is provided on our website at

[visit.jsc.nasa.gov](http://visit.jsc.nasa.gov)

### Visiting for Pleasure?

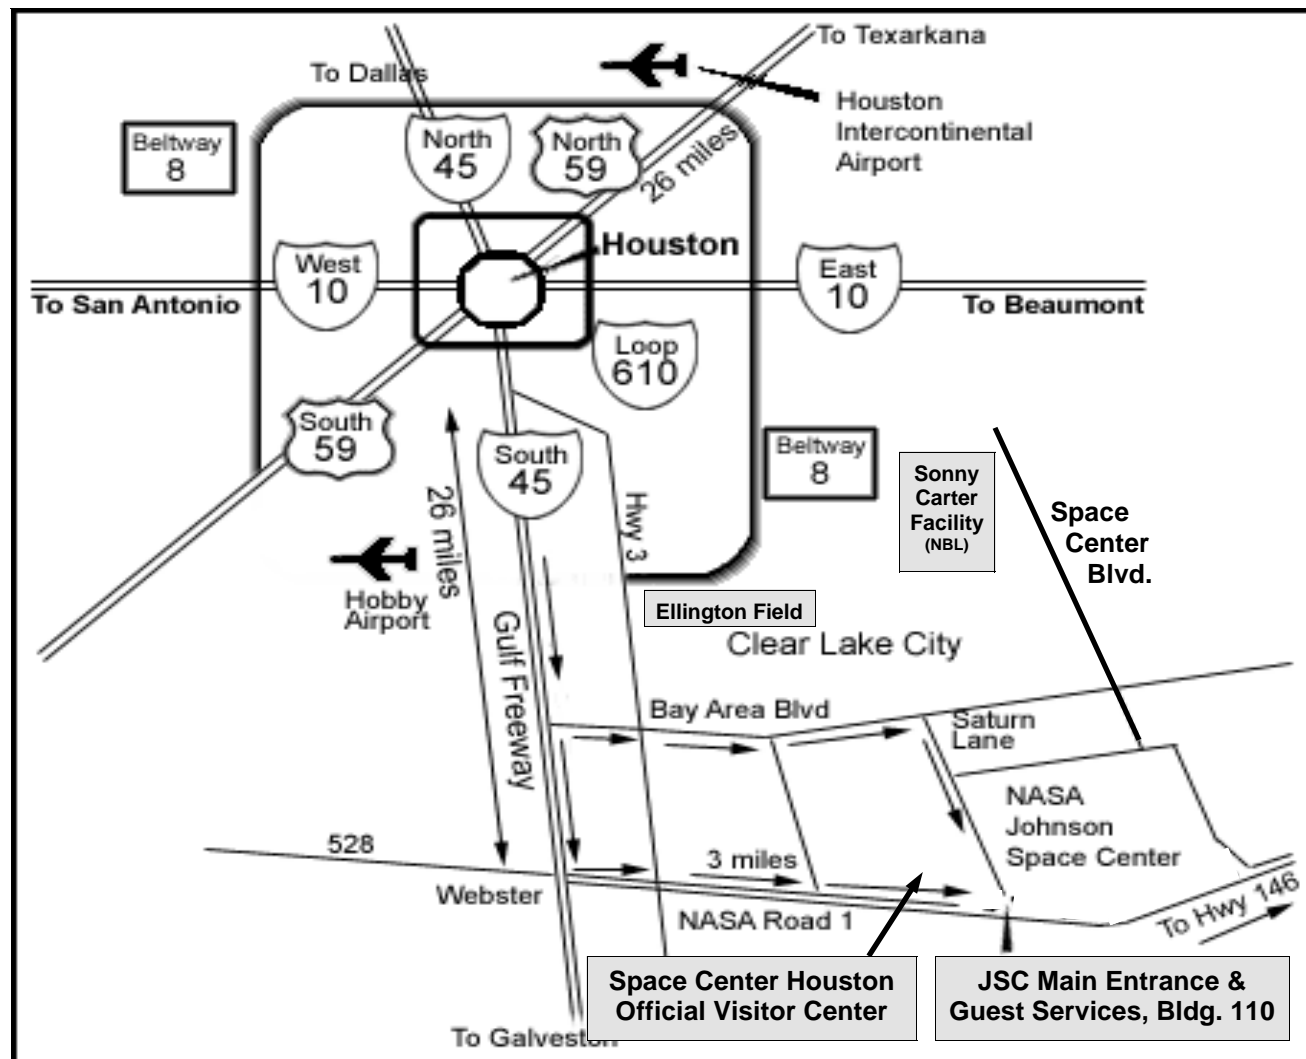

Space Center Houston is the official JSC visitor center. At SCH you may tour exhibits and mock-ups, view IMAX films, participate in mission briefings, take an escorted TRAM tour of the JSC facilities, and purchase souvenirs. Complete information is available on the SCH website.

[www.spacecenter.org](http://www.spacecenter.org)

### Visiting for Business?

If you've been invited for a business visit you must obtain a visitor badge / car pass at Guest Services in Bldg. 110 located at our visitor entrance. Guest Services is open from 6 a.m to 10 p.m. 7 days a week.

### Visiting for a Special Event?

If you've been invited to JSC for a special event such as a launch viewing, awards ceremony, social function, or conference, your NASA host will provide you instructions for your onsite visit.

### Looking for a Job?

All job information, application forms, and job vacancy announcements, are posted on our website. Since JSC cannot conduct unscheduled or walk-in interviews, please visit our job applicant website to view our current vacancies and the directions for applying for a job.
